IBM Data Science - AI solutions

The objective of this document is to provide:

- The "101" tutorials on IBM SPSS Modeler and IBM Watson Studio (videos)
- The pre-requisites to download & install IBM SPSS Modeler, then to access to IBM Watson Studio

Tutorials

1. IBM SPSS Modeler

Please see the following videos:

- Introduction : IBM SPSS Modeler: Change the Future Now (2 min 15s)

- IBM SPSS Modeler Demo #1: Access Data (5 min 20s)

- IBM SPSS Modeler Demo #2: Manipulate Data (6 min 25s)

- IBM SPSS Modeler Demo #3: Analyze Data (7 min 29s)

- IBM SPSS Modeler Demo #4: Deploy Analysis Results (3 min 58s)

2. IBM Watson Studio

- IBM Watson Studio: Build and train AI models in one integrated environment (3 min 19s)

- IBM Watson Studio: Create a complete project (3 min 14s)

Pre-Requisites

1. Installation of IBM SPSS Modeler 18.1 (Windows or Mac version) - License available during 30 days

IBM SPSS Modeler has to be installed on your own laptop.

- You must download IBM SPSS Modeler from the following link: https://ibm.onthehub.com

- You have to register

- After the registration, you will be able to access to a lot of IBM softwares. You have to "Add to Cart" the following items:

  - IBM SPSS Modeler Premium Academic and Faculty/Author 18.1.1 Mac OS Multilingual eAssembly (CJ3CTML) **OR** IBM SPSS Modeler Premium Academic and Faculty/Author 18.1.1 Microsoft Windows Multilingual eAssembly (CJ3CSML)
  - SPSS Modeler v18.x - Student License key

The software must be installed & activated (with the license code) as late as possible before Wednesday 21st November, 2018.

2. IBM Cloud - Watson Studio - User account - Available during 30 days

- You must create an account on the IBM Cloud Platform.

- If you do not have an account yet, follow this link to register: https://console.bluemix.net/registration

- You'll be registered for a lite account with no time restrictions, please chose US region.

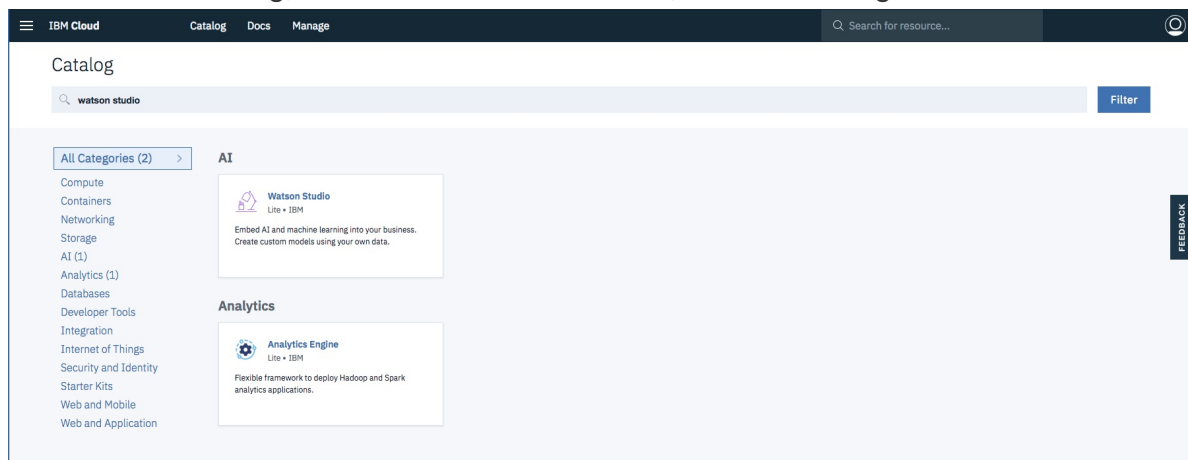

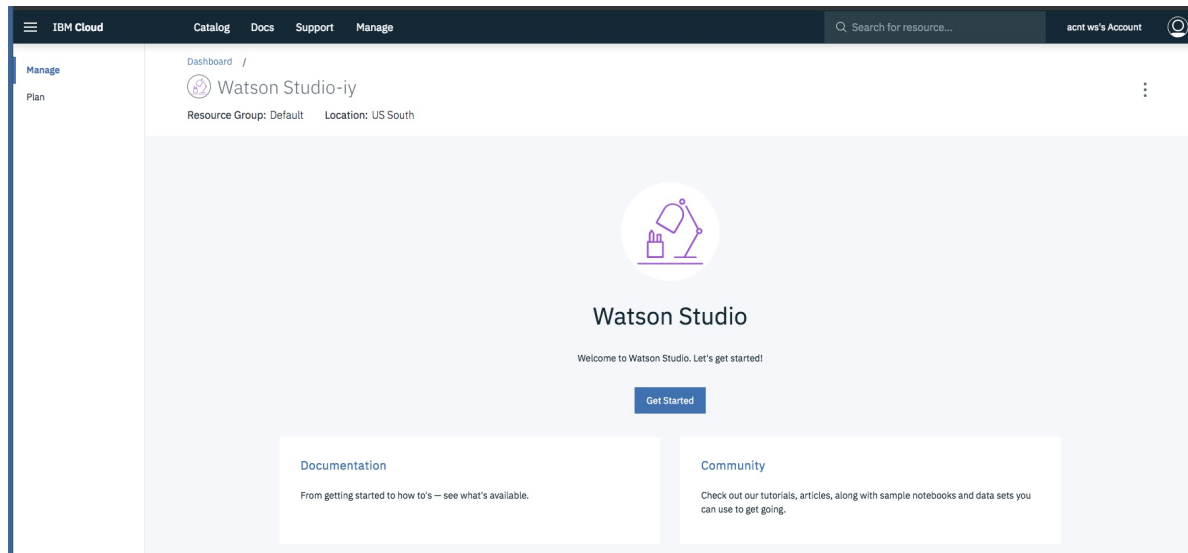

- Confirm your IBM Cloud account.
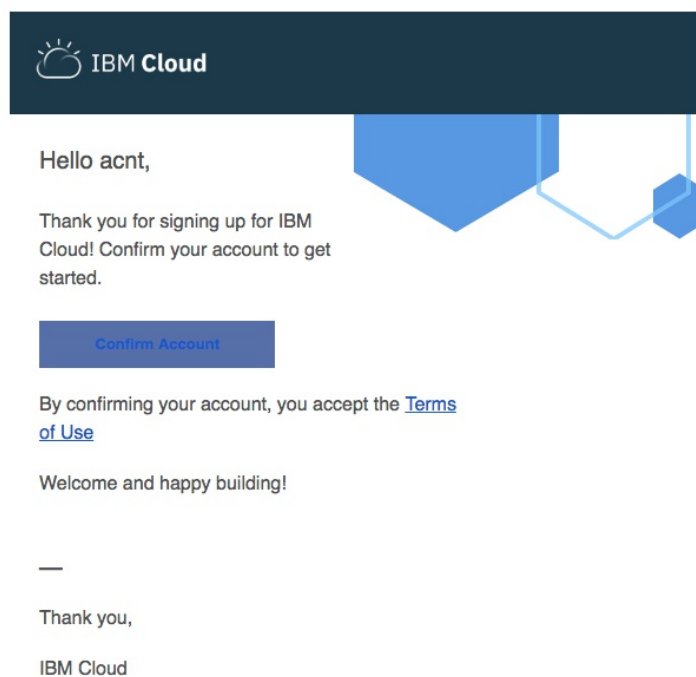

- Once connected, you will access to the following dashboard page
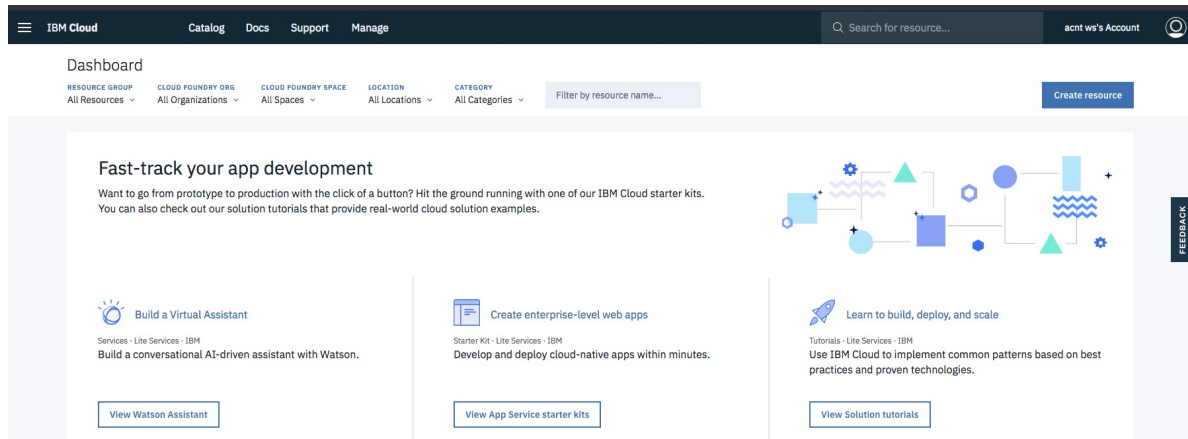

- Search in the catalog, the service "Watson Studio", as the following:

- Once activated, you are able to access to IBM Watson Studio

IBM **Watson**

Welcome Acnt!

Watson Studio

You have the Watson Studio app.

Try out other IBM Watson Studio apps.

Get started with key tasks

| New project | Refine data | New notebook | Deep learning | New Modeler flow | New model |
